

**35,000+ Strong**

### **Membership for 2017**

Kansas Democrats are committed to putting the people of Kansas first by promoting values and policies that advance the common good and expand opportunities for every resident of Kansas. We strive to make our state the best in the nation in which to live, work, and raise a family. *Shawnee County Democrats* have a strong history of supporting democratic ideals and candidates. We know the importance of grassroots work. That is why we need **YOU** to join the *Shawnee County Democrats*. With your support, we can be more effective in building strong communities by electing Democratic candidates.

By joining, your financial support helps us get out our message and get voters to the polls. You will be part of the political process that makes our nation great. Choose the Club membership level (on back) that works best for you and join today!
